Author Guidelines

The relaunched *University of Colombo Review* is a doubleblind peer reviewed academic journal.

Submissions (research articles, conceptual papers, book reviews and review essays) should be in English, and between 3000-8000 words.

Submissions should be in Microsoft Word, Times New Roman 12, double spaced, and follow the APA style of referencing.

Submitted papers must not be under consideration by any other publisher. Authors must attest to this at the time of submission in a cover email. It is also the author's responsibility to disclose any potential conflict of interest regarding the submitted manuscript.

Author names, e-mail addresses, and institutional affiliations should be provided in the cover email. Author names should not be inserted in the main submission itself.

All papers submitted to the UCR will be first scrutinized by the editors to determine suitability and those selected will thereafter be forwarded for peer review. Depending on the peer reviews, the final decision on publication rests with the editors.

All submissions and cover notes to be emailed by **20 February 2022** to: **ucr@cmb.ac.lk**
