

Author Declaration

(To be read and signed by each author)

I/We declare that I/we have authored the article to be published in the *University of Colombo Review* and that I/we have been sufficiently involved in the conceptual framework, data gathering, analysis and writing of the article to warrant my name as an author.

I/We declare that the material contained in the article is original work, data is scientific and follows ethical guidelines which avoids plagiarism and safeguards those at risk including vulnerable groups, animals and the environment.

I/We declare that the article, nor a manuscript significantly similar in content, will be submitted to any other journal or published elsewhere. If the *University of Colombo Review* accepts the article to be published I/we hereby agree that I/we will not withdraw the article before it is published.

I/We hereby agree that the article will be uploaded in accordance with the principle of Creative Commons.
